Read the following letter from M.R.Ry., Rao Sahib, J.Venkatanarayana Naidu Garu, B.A., B.L., Acting Collector, Bellary, dated 8th October 1921:--

Reference:-- Board's Reference, No.B.3588/21-1, dated 7th September 1921.

All the doors and windows and a portion of the roof of the bungalow are said to have been removed and the cost of the repairs to the building is reported to be prohibitive as it may come up to Rs. 10.000. Even if it is repaired, there is no likelihood of its being occupied as it is very distant from the town. The necessary permission for its demolition

14

may therefore be granted. The Secretary, Cantonment Committee says that the land on which the bungalow stands is required by the military authorities. It may therefore be transferred to the control of the cantonment authorities as per paragraph 3 (iii) of G.O.No. 2416 Revenue, dated 20th August 1914. The lease deed and the plan received with the Board's Reference are resubmitted.

Submitted to Government.

2. The Board supports the Collector's proposal regarding the disposal of the land.

3. In view of conditions II and XXX of the lease deed the Board recommends that the lessee should be allowed to take materials on condition that he demolishes the building and levels the site. The question of what forfeit he should pay would depend on the value of the materials and the cost of demolition as estimated by the Executive Engineer.

the lessee does not object
to be entitled to a forfeit
to the materials but if the
cost of demolition - which
is approximately equal
to the value of the
materials the would be no
objection to allowing him to
remove the materials provided
the site is levelled by him.
